It was also highlighted that there had been a number of break ins at the property by local children. **Action: GB** to check with English Heritage and Listed Building Officer to see if any enforcement action can be taken to secure and protect the property. *Post meeting note: yes – and Peter Smith (NCC – Listed Building Officer) has visited and property has been made secure.*

Both KM and Ed had been in contact with the Local Authority but NCC have not to date made it clear who is responsible within the council for the property. **Action: KM** is raise

this issued with Councillor Ian Malcolm.

- 4.2.3 **Other Village Planning Matters:** JW reported to the committee that the only application of note over the last period within the village was a Retrospective application for retention of stables at Home Farm. No comments were raised on this.
- 4.2.4 It was noted that there is likely to be an application lodged in the near future for redevelopment of the Old Man of Trent. Current options include a restaurant, shops, or a possible Macdonalds. Members observed that this was outside of the village boundaries but it was highlighted that such a facility could encourage littering from takeaways being taken onto the green and down to the river. **Action: all members** to look out for any application in this area.
- 4.2.5 RS highlighted that the consultation was ongoing for the Wind Turbines and that feedback from attendance at a recent meeting was that this was highly likely to proceed to planning. It was agreed by a majority of members that this did not directly affect the village and that any objection or representations would be best left to individuals.
- 4.3 **Newsletter.** GB proposed that the next newsletter would be prepared for issue by the beginning of July to ensure publicity of the Summer Garden party. **Action: All members** to prepare articles for insertion by the next meeting.
- 4.3.1 KM highlighted what a success the Ashtons Royal Wedding event had been, and thought that it would be good to include a feature on this. **Action: GB** to raise with Mike and Clare to see whether they would be prepared to write a piece for inclusion.

- 4.5 **Neighbourhood Watch** A number of members raised the issue of increasingly frequent break-ins by youths at the Old Rectory. **Action: All members** to be vigilant in keeping an eye on activity around the property.
- 4.5.1 Large gangs of youths have been seen roaming through the village on the way to the river. *Post meeting note: This was confirmed by Darren White at the AGM as being the groups of youths meeting to fight with their 'rivals' in Beeston Rylands at the weir.* **Action: All members** to report any such activity to the police as soon as it is seen.
- 4.5.2 Hawkers have recently been seen in the village. **Action: All members** to report such visits directly to the police as they are aware of this problem and want to catch those responsible as it often is accompanied by burglary, either at the same time or later.
- 4.6 **Website and Notice Board Action: GB** is to forward the last meeting minutes to Jonathon Blacknell for inclusion on the website. **Action: KM and GB** committed to tidying up, re-

decorating and securing the village notice board over the coming months.
